Prohibited Items

1. Food or Perishable Goods

Unless expressly approved by us in writing, and only if adequately protected to prevent infestation or attraction of vermin.

2. Plants or Animals

This includes plants, birds, fish, animals, or any other living creatures.

3. Hazardous or Dangerous Substances

Combustible, flammable, explosive, or oxidising materials, liquids, or gases, including but not limited to paint, petrol, oil, cleaning solvents, gas cylinders, cellulose nitrate film, or fireworks.

4. Weapons and Explosives

Firearms, weapons, ammunition, explosives, or any components thereof.

5. Chemicals and Hazardous Materials

Chemicals, radioactive materials, biological agents, pollutants, toxic or hazardous substances, contaminated goods, or any other materials of a potentially dangerous nature.

6. Odorous Items

Any item that emits fumes, smells, or odours.

7. Illegal or Illegally Obtained Goods

This includes but is not limited to:

- Illegal substances or items
- Counterfeit goods
- Illicit (smuggled or counterfeit) tobacco
- Illicit alcohol
- Unlicensed medicines

- Unsafe goods (including toys, electrical items, cosmetics, fireworks).

8. Compressed Gases

Compressed non-flammable gases, unless we have given prior written consent and you comply fully with our specific requirements.

9. High-Value Items Requiring Specialist Storage

Including but not limited to jewellery, money, bullion, deeds, bonds, securities, stamps, antiques, fine art, or fine wines.

10. Tyres and Asbestos

Tyres, asbestos, or materials containing asbestos.

11. Waste Materials

Any waste materials, including any goods or materials for export that are deemed to be waste (for example, used electrical equipment unless tested and certified for reuse, or used vehicles or vehicle parts).
